A Timeline of Quantitative Literacy/Quantitative Reasoning Activities, Programs and Publications

Joint Mathematics Meeting—San Antonio—2006

MAA Contributed Paper Session: Achieving Quantitative Literacy

Caren Diefenderfer — Hollins University

1979 - CUPM Report on Quantitative Literacy

1981 - DePauw University
Greencastle, IN
Q/W/S Program

1987 - Trinity College
Hartford, CT
Quantitative Literacy
Requirement and Courses

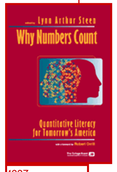
1989
MAA establishes a
Quantitative Literacy
Subcommittee of CUPM

1994
Quantitative Reasoning for College Graduates
MAA Subcommittee on Quantitative Literacy
Linda Sons, Editor

1994 - University of Nevada, Reno
Mathematics Across the Curriculum
NSF Grant

1995 - NSF Initiative
Mathematics Across the Curriculum

1995 - Dartmouth College
Hanover, NH
Mathematics Across the Curriculum
NSF Grant



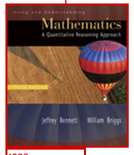
1997
The College Board

1997 - Wellesley College
Wellesley, MA
Quantitative Reasoning Requirements - two levels

1997 - NEQL
Northeast Consortium on Quantitative Literacy
Consortium of New England schools
Annual meetings

1998 - Hollins University
Roanoke, VA
Quantitative Reasoning Requirements (q and Q)
NSF Grant

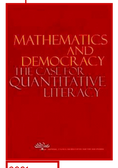
2000, 2001 - Summer Institutes
Mathematics Across the Curriculum
Edmonds Community College
Edmonds, WA



1999
Addison Wesley

2001 - National Numeracy Network - NNN
Dartmouth College
Trinity College
University of Nevada at Reno
The Washington Center

2001 - National Forum
Quantitative Literacy:
Why Numeracy Matters for Schools and Colleges
National Academy of Sciences
Washington, D.C.



2001
NCED

2002 PKAL Summer Institute
Quantitative Literacy: Everybody's Orphan
Williamsburg, VA

2002- Macalester College
St Paul, MN
Quantitative Methods for Public Policy
NSF and FIPSE Grants

2002
Mathematics Across the Curriculum &
Quantitative Literacy Across the Curriculum
Edmonds Community College and
The Washington Center

PREP 2003
Quantitative Literacy Across the Curriculum:
Everybody's Project
Sleeping Lady Mountain Resort - Leavenworth, WA

2003
MAA

2004 - SIGMAA QL established

Summer 2004
AAC&U

2004
MAA

2004 - NNN
Established as a non-profit organization
Bernie Madison, President

2005 - MAC^3
Mathematics Across the Community College Curriculum
AMATYC Summer Institute
Sleeping Lady Mountain Resort - Leavenworth, WA

PREP 2004
Mathematics Across the Curriculum &
Quantitative Literacy Across the Curriculum:
Everybody's Project
Edmonds Community College &
The Washington Center

PREP 2005
Creating and Strengthening Interdisciplinary
Programs in Quantitative Literacy
Macalester College - St Paul, MN

2005
Spreadsheets Across the Curriculum
The Washington Center
Olympia, WA

2005
MAA

2006
Current Practices in Quantitative Literacy
MAA Notes Series
Rick Gillman, Editor

2006—MAC^3
AMATYC Summer Institute
Sleeping Lady Mountain Resort
Leavenworth, WA

August 2006 - Math Fest
Knoxville, TN
Panel Discussion

January 2006
Contributed Paper Session
Achieving Quantitative Literacy
