SIGMAA- MKT Charter revising

Rational:

A two-year term allows the chair to have a larger impact on the SIGMAA and also have longer time to implement their goals/objectives.

Current Charter

Article III. Section 3. (a) Terms of office, nominations, and elections

(a) The chair, chair-elect, and past-chair will serve for one year in each office. The program coordinator, secretary-treasurer, and COMET liaison will each serve a two-year term. The program coordinator will be elected in even years, while secretary-treasurer will be elected in odd years. It will be necessary for the first program coordinator or first secretary treasurer to serve a one-year term, depending on the year of charter. It may be necessary for some COMET liaisons to serve a one-year term depending on their term as a member of COMET. Terms will begin at the conclusion of the JMM in January.

Proposed Changes:

(a) The chair-elect, chair, and past-chair will serve for one/two/one year(s) in each office, respectively. The program coordinator, secretary-treasurer, and COMET liaison will each serve a two-year term. The program coordinator will be elected in even years, while secretary-treasurer will be elected in odd years. It will be necessary for the first program coordinator or first secretary treasurer to serve a one-year term, depending on the year of charter. It may be necessary for some COMET liaisons to serve a one-year term depending on their term as a member of COMET. Terms will begin at the conclusion of the JMM in January.
