

Information for Presenters

- All presenters have been given a 30-minute time period for their presentation.
- Presenters should plan a 20-minute presentation and leave 10 minutes for discussion.
- Projectors for Powerpoint presentations will be available in each session room.
- Preliminary Report presentations should include the discussion questions listed in their proposals.
- Theoretical Report presenters may want to remind the audience that their presentation is theoretical, since this is a new category in the conference program.
